March 4, 2010

Dear Tiedown and Shade Hangar Users:

Back in December 2008 the Clark County Board of Commissioners approved the tiedown/shade hangar agreements for all users at the general aviation airports. This new agreement was discussed at numerous stakeholder meetings and with members of the Clark County Aviation Association (CCAA). Suggestions from both groups were incorporated to the extent possible, including removal of a requirement for an insurance sublimit per seat or per passenger. Language changes were also made to the indemnity clause. The CCAA no longer objects to the revised version of the indemnity clause and asks that you carefully review the agreement before signing it.

Beginning April 1, 2010, the *Billing Information Form* currently in use will be discontinued. The tiedown/shade hangar agreement clearly outlines the conditions, rights, and privileges for the use of these aircraft parking areas continued at the existing monthly rates.

All customers currently occupying a tiedown/shade hangar space should visit the administration office at North Las Vegas Airport or Henderson Executive Airport to sign your tiedown/shade hangar agreement by May 3, 2010. Please bring a copy of the current declaration page for your aircraft and automobile insurance policies showing the required amount of insurance coverage. A copy of the tiedown/shade hangar agreement is enclosed for your convenience.

If you have any questions regarding the new tiedown/shade hangar agreement, please contact Ben Czyzewski for North Las Vegas and Overton airports at 702-261-3802, or Dennis Anderson for Henderson Executive or Jean Sport airports at 702-261-4802. Thank you for your cooperation.

Sincerely,

Cecil Johnson
Assistant Director of Aviation, General Aviation
